

Hello Students!

Do you know Hasan Kalyoncu Üniversitesi has unlimited access to MATLAB and Simulink for all staff and students.

Access all MATLAB&Simulink resources now! Visit [Hasan Kalyoncu Üniversitesi Portal Page](#)

I am new to MATLAB

Start learning MATLAB and get your official certification.

	
MATLAB Onramp Get started quickly with the basics of MATLAB.	Simulink Onramp Get started quickly with the basics of Simulink.
	
Machine Learning Onramp Learn the basics of practical machine learning methods for classification problems.	Signal Processing Onramp An interactive introduction to signal processing methods for spectral analysis.
	
Control Design Onramp with Simulink Get started quickly with the basics of feedback control design in Simulink.	Stateflow Onramp Learn the basics of creating, editing, and simulating state machines in Stateflow.

Access MATLAB instantly

Skip the installation and start using MATLAB instantly with MATLAB Online.

What is there for me?

Create projects, join student competitions, do innovative researches and more.

In this challenge, you'll have the opportunity to win up to \$1,000 (USD) by submitting a short original video that shows what you've accomplished using Simulink.

Turkey Minidrone Competition

Learn how to develop an autonomous minidrone line follower and develop key skills like Model-Based Design relevant to the industry all while having fun using drones! [For more info.](#)
